

Daisy Card

Copyright © 2008 J&M Parchment

Attach parchment to pattern using low tack tape.

TRACE:

Trace the Daisy flowers in red ink or fine liner. Trace the rest of the design in white pencil or ink.

EMBOSS:

Micro Ball tool = Small dots around centre of the daisies.

Mini Shader = Emboss the daisy flower petals .

Micro Sun Tool = centre of the flowers and where stated as S on the pattern.

Sciber = Cross hatching.

COLOUR:

Using coloured pencils add colour to flowers on the back of the parchment.

FINISHING:

Perforate around the edge using Twin needle or a Mini Stamp Edge cutter. If using Twin needle tool snip between perforations to remove waste. Use a single needle tool to perforate on the cross hatching lines where they cross.

Fold parchment to form card then attach an insert.

Remember these are only guidelines feel free to decorate and colour as you like.
