Copyright © 2007 J&M Parchment

Attach parchment to pattern using low tack tape.

TRACE:

Trace the petals using Gold Ink. Trace the rest of the design using white pencil or ink.

DORSO:

Dorso on the back of the parchment where indicated in the pattern, using a colour of your choice.

PERFORATE:

Perforate the Grid area as shown in the pattern by perforating in each hole using a single needle too on a grid.

EMBOSS:

Micro Ball tool = Trace the boxes and the letters.

Mini Shader or Medium Ball Tool = Emboss the petals.

Scriber = Stipple inside each letter.

PERFORATE & CUT:

Perforate around the petals edge using a Twin needle tool and scissors or a Mini Stamp Edge cutter. (Make sure you do not perforate the red lines as these are for the fold). If using Twin needle tool snip between perforations to remove waste.

FINISHING:

Fold parchment to form card then attach an insert.

Remember these are only guidelines feel free to decorate and colour as you like.

Please note: this design is for your own personal use and not to be offered for sale by any means.
